At The House of Charity, we believe that everyone should have the chance to make a difference whether they have an hour to give or can make an ongoing commitment. Please let us know why you would like to volunteer.

To get out of the house	To spend quality time with family by volunteering together
To meet new people or make new friends	To share my passion
To establish a track record to get a new job	As an academic requirement
To try out a new career	To be in charge of something
To build confidence/self esteem	To feel useful/needed
As a break from other stresses in my life	To make a transition to a new life
To rebuild on old skill	To gain respect
To help another person	To get training for starting my own non profit
To be with friends who volunteer	To have fun
Because I don't like to say "no"	To get to know a new community
To get recognition	As therapy
As an alternative to giving money	To learn something new
To do something I love	Because my mom/dad/teacher etc. said I had to
To fulfill a community service requirement	To spend quality time with family by volunteering together
To test/challenge myself	To become an "insider"
